

## **PSYCHOLOGY MINOR**

A bachelor's degree requires 120 hours, including General Education and a major. Refer to the major checklist for those required courses.

In the 120 hours, a student may include one or more minors. All minors are available to all students, regardless of major, except that a student cannot have both a major and a minor in the same subject. A minimum grade point average of 2.0 is required for courses in the minor.
