Students who have three final exams in one day may arrange an alternate time for the middle exam, but only by pre-arrangement with the Registrar made no later than **November 19**.

Changes in the schedule can only be made with permission of the Academic Standards Committee or the Registrar. If you need to request a change in time due to some circumstance beyond your control, you must petition the Academic Standards Committee by **November 19** for an alternate time. Petitions are available at the office of the Registrar, Kathryn 309.

Petitions are not approved to accommodate travel arrangements. Please do not make reservations for airline, train, or bus tickets or plan to ride home with friends before your last scheduled final.
