

## MACMURRAY COLLEGE

Instructor: Kent Shepard

Spring Semester 2012

Email: shepard@adams.net

Math 091: Developmental Math (Prealgebra)

Room: EC 101

Math 091 TTH 12:30-1:45 PM

Textbook: Prealgebra, 6<sup>th</sup> Edition, Martin-Gay

### Methods of Evaluating Student Progress:

Class Attendance and completion of homework will be important towards determining your grade.

Students are expected to complete all homework, quizzes, tests, and exams.

Three in-class exams: 60% of grade

Homework: 20 % of grade

Comprehensive Final: 20 % of grade

### Grading Scale:

85 - 100 = A

75 - 84 = B

65 - 74 = C

55 - 64 = D

54 & below = F

### FINAL EXAMINATION

There will be a comprehensive final exam given on Tuesday, April 24, 2012 at 12:30-1:45.

### ATTENDANCE

Attendance is required, expected and strongly encouraged for all of the lectures. Regular attendance will provide a better chance of success in this course. Students are responsible for knowledge of all material presented in class on days that they are not present.
