Calculator: Any scientific calculator is suggested.

Assessment: Your grade will be based on your performance on four in-class exams given on the dates listed below (60%), daily work (20%), and the comprehensive final exam given on Friday, April 27, from 9:00 – 11:00 (20%).

Grading Scale: 80 – 100% A
60 - 79% B
45 - 59% C
30 - 44% D
< 30% F

Notes: Mathematics is not a spectator sport. You will need to work hard from the very first day to succeed in this class. I promise to give you as much help as I possibly can, but ultimately it's up to you. I expect you to give your best effort. If you don't, we'll both fail!

Attendance: Attendance at each class meeting is expected and strongly encouraged! I'm positive you'll have a much better chance of success in this course if you're determined to attend regularly!
