Notes: Mathematics is not a spectator sport. You will need to work hard from the very first day to succeed in this class. I promise to give you as much help as I possibly can, but ultimately it's up to you. I expect you to give your best effort. If you don't, we'll both fail!

Attendance: Attendance at each class meeting is expected and strongly encouraged! I'm positive you'll have a much better chance of success in this course!
